

OPERATION BACKPACK®

Studies have shown that prepared children perform better as well as have higher confidence levels in school. **Operation Backpack®** seeks to give that same opportunity to at-risk and homeless children.

One of the most devastating consequences of family homelessness is the impact it has on a child's education. The stigma of being homeless weighs heavily on these children in their school and peer groups. When they arrive at school without a backpack or proper supplies, they are seen by other children as different rather than as a potential new friend.

Since 2009, **Operation Backpack®** has been providing Michigan's most vulnerable children with new backpacks filled to the top with grade-appropriate school supplies in time for their first day of school. Volunteers of America Michigan needs **you** in order for any of this to be a possibility.

OPERATION BACKPACK® NEEDS YOU JULY 1 - AUGUST 9
