## 2025 Recap

"It really means a lot with the economy today and just with, you know, everything that's going on in the world, it's just good to see that people are volunteering, their services and reaching out and helping out with the community."

Jacqueline, Backpack Recipient

"What this event means to us is really having an opportunity to be a part of something that means something so much for the community. Every one of our stores are in communities that this event supports."

Frank, Boost Mobile

"I'm originally a caregiver, so this meant a lot to me because I love to see kids with smiles on their face..."

Robyn, Vibe Credit Union

"My daughter just got deployed, and she asked me at the last minute to help out... getting the bookbags was a great opportunity."

A Backpack Recipient

"We really appreciate [the backpacks] and it's very important because a lot of our families are dealing with housing instability, food insecurity, and this helps...so their kids can start off the new year good and ready."

Kelly, Wayne Metro Schools
