

VOA MICHIGAN Health2Home

A HEARTFELT THANK YOU TO OUR PROGRAM SPONSOR - HUMANA

THERE'S STILL TIME TO SUPPORT.

Health2Home gives unhoused individuals and those at risk of homelessness a safe place to recover after a medical event, with healthcare support, meals, and case management that lead to permanent housing. Your support transforms a moment of medical crisis into lasting stability — breaking the costly, dangerous cycle of homelessness and repeat hospitalizations.

The following naming opportunities allow you to directly provide healing, stability, and housing for those who need it most
