The Booth Community

Permanent Supportive Housing

Where Home Begins

The Booth Community is a Permanent Supportive Housing development by Volunteers of America Michigan that transforms the former St. Mary of Redford Parish school into safe, affordable homes for people who have experienced homelessness. By pairing stable housing with supportive services, it helps residents build healthier, more independent futures while strengthening the surrounding neighborhood.

YOUR GIFT MAKES THIS POSSIBLE

Quality Housing
Safe, stable housing for homeless and formerly homeless Detroit residents.

Historic Preservation
Restoring a landmark vacant for over two decades back to life.

Positive Outcomes
Improved housing stability, employment, and mental & physical health for residents.

Community Impact
Revitalizing city blocks and stabilizing the surrounding neighborhood.

The Booth Community is more than housing— we're bringing people home.

HELP TURN A "UNIT" INTO A HOME!

A home isn't just four walls... It's what's inside them.

Your gift helps provide the furnishings and additional resources that turn an empty unit into a place of comfort, healing, and belonging—where a resident can finally exhale and be at home.
